# 2nd Creativity Contest: Call

[Seed Olomouc](#) > [Creativity Contest](#) > 2nd Creativity Contest: Call

## “IWe and Korea”

**The Korean section of the Asian Studies Department invites all students of Palacký University Olomouc to participate in a creativity contest. Knowledge of Korean is not a prerequisite.**

- Grand prize: 25 000 CZK
- 2nd prize: 10 000 CZK
- 3rd prize: 5000 CZK

Submissions (in Czech, English or Korean) should either

- raise the awareness of Korean language, Koreans or Korean studies in Olomouc
- or the awareness of Olomouc in Korea
- or generally the awareness of Korea among Czechs.

Note: “Korea” comprises the historical Korea, the two Korean states and somehow also the Korean diaspora. However, we will prefer submissions related to South Korea.

1. Creativity (originality, novelty).
2. Impact & outreach: How many people have been reached and/or how many people can be expected to appreciate this work if we promote this as a prize-winning project?
3. Applicability – “Could this idea be well adopted by others and find followers?” – OR “Inimitability” – “Is this unique?”: two complementary, alternative criteria.
4. Technical quality / Quality of the documentation.
5. Quality of accompanying text and description.
6. Sponsoring: bonus points for projects that enhanced their quality through sponsors.
