

Summer School 2019 at the Palacky University Olomouc

Expert: Prof. Imsuk JUNG

Aims of the lectures: 배워요. 재미있게 한국어를 배워보아요.

To present an innovative approach to teaching Korean L2 in order to speed up the development of oral skills of Foreign students in Korean. The widespread use of mobile devices, such as smartphones, tablets and social networks (social network service: like Facebook, YouTube), helps to overcome linguistic and cultural barriers. New teaching approaches allow students to learn a foreign language. Students involved in this new teaching approach: Can develop a high level of interest in the Korean language; Practice, participate and interact more enthusiastically; Can accelerate the acquisition of new oral skills.
